# ELECTRONIC DATA MANAGEMENT

| SIN | Mfg # | Description | GSA Price[1] | Wty |
|---|---|---|---|---|
| 132-34 | MIDAS-1-SUS | MIDAS - Monthly Software Maintenance and Support Plan - Single User (minimum 12 months) | $ 24.03 | N/A |
| 132-34 | MIDAS-SW-SUS | MIDAS - Monthly Software Maintenance and Support Plan - Site Wide (minimum 12 months) | $ 3,177.07 | N/A |
| 132-34 | MM-SW-SUS | Media Pro Server - Monthly Software Maintenance and Support Plan (minimum 12 months) | $ 473.34 | N/A |
| 132-34 | ACATSS-SUS | Aperture Card Analysis and Tracking Support Services - Monthly Software Maintenance and Support Plan (minimum 12 months) | $ 807.62 | N/A |
| 132-33 | MIDAS | Modified Image Display and Access Software (MIDAS); Microsoft Windows application suite allows users to electronically access Government engineering data repositories, request data, receive/manage downloaded data, upload JEDMICS compatible data, provide user image viewing/printing from workstation screen versus receiving data on aperture cards/paper. Download at no charge from www.ec-edi.com | NC | N/A |
| 132-33 | MM-SK-R1 | Media Pro Software Kit; Software integrated solution used on customer server platform. | $ 19,487.19 | 90 days |
| 132-33 | ACATSS-C | Aperture Card Analysis and Tracking Support Services - Client (per client software license) | $ 225.20 | 90 days |
| 132-33 | MMIS-C | Media Pro - Client (per client license) | $ 1,343.92 | 90 days |
| 132-33 | ACATSS-S | Aperture Card Analysis and Tracking Support Services - Server; Hardware/software integrated solution using Microsoft SQL database to store, analyze, track, process and manage aperture card information including, but not limited to JEDMICS. | $ 48,461.50 | 90 days |
| 132-8 | MMS-R1 | Media Pro Server; Hardware/software integrated server based solution provides ability to accept, read, input engineering data; convert or re-convert data into several raster data formats; transmit, write, output converted engineering data to CD-ROM, magnetic disk or Internet. | $ 29,243.93 | 90 days |
