

Model No. 3095

Model No. 3098

Key Benefits

Designed and manufactured specifically for personal computer manufacturers. Supplied in 50-unit bulk packs; drivers and documentation are available for download from the U.S. Robotics OEM partners' Web site.

Supports international standards. Conforms to FCC Part 15 & Part 68, CSA and UL 1950, as well as CTR21 and EU safety requirements (EN 60950).

Easy installation and high performance with Windows operating systems. PCs running Windows 95, 98, 98 SE, 2000, or Me detect and install the modem automatically. Simple setup utility for Windows NT 4.0.

56K¹ OEM PCI SoftModem

Includes V.90 56K ITU standard

The World Wide Web offers PC users a range of resources no one could imagine only a few years ago. But to see the detailed graphics, hear the near CD-quality sound built into today's most advanced sites, or to telecommute efficiently, you need 56K technology.

The U.S. Robotics® 56K OEM PCI SoftModem gives fast downloads for a more productive, rewarding online experience while minimizing the cost of the modem hardware.

This modem features simple Windows Plug and Play installation. Just slide it into any PCI slot inside your PC, and

the computer takes it from there — a few clicks, and you're ready to go online. There's no need to set DIP switches or type in complicated commands. Plus, the PCI connection provides more bandwidth than traditional ISA modems for better performance with audio and video applications.

And of course, the OEM PCI SoftModem is software upgradable. As U.S. Robotics makes new features and enhancements available, you'll be able to download them as easily as copying a file.

1. Capable of receiving at up to 56 Kbps and sending at up to 33.6 Kbps. However, download speeds may be lower due to varying line conditions. Download speeds in the U.S. and Canada are limited to 53 Kbps. Requires compatible phone line and server equipment. See www.usr.com for details.

World's #1 selling modem brand

56K¹ OEM PCI SoftModem

Includes V.90 56K ITU standard

Key Benefits

Designed and manufactured specifically for personal computer manufacturers. Supplied in 50-unit bulk packs; drivers and documentation are available for download from the U.S. Robotics OEM partners' Web site.

Supports international standards. Conforms to FCC Part 15 & Part 68, CSA and UL 1950, as well as CTR21 and EU safety requirements (EN 60950).

Easy installation and high performance with Windows operating systems. PCs running Windows 95, 98, 98 SE, 2000, or Me detect and install the modem automatically. Simple setup utility for Windows NT 4.0.

Plug and Play Compliant

- Automatic COM port and IRQ assignment
- Fully compliant with:
 - Windows 2000 (WHQL)
 - Windows Me (WHQL)
 - Windows 98/98 SE (WHQL)
 - Windows NT 4.0 (WHQL)
 - Windows 95
- ACPI 1.0 compliant

Modem Standards and Protocols Supported

- Data Speeds: up to 56 Kbps download capability; 33.6, 31.2, 28.8, 26.4, 24, 21.6, 16.8, 14.4 Kbps; 9600, 7200, 4800, 2400, 1200/75, 1200, 300 bps
- Fax Speed: 14.4 Kbps; 9600, 7200, 4800, 2400, 300 bps
- Data Modulation: V.90, V.34+, V.34, V.32 *bis*, V.32, V.22 *bis*, V.22, V.23, ITU V.21, 212A, Bell 103
- Fax Modulation: ITU V.17, V.29, V.27 *ter*, V.21
- Error Control and Data Compression: ITU V.42, V.42 *bis*, MNP 2-5

Minimum System Requirements

- PC with available PCI (2.1 or higher) slot
- Windows 2000 (WHQL)
- Windows 98/98 SE (WHQL) (2.1 or higher)
- Windows NT 4.0 (WHQL)
- Windows 95
- Analog phone line
- For V.90 downloads, requires phone line and Internet Service Provider or corporate host site compatible with V.90 standard

Windows Compatibility

- Windows drivers automatically install and configure the modem for maximum performance
- Communicates with virtually any modem or fax device (Windows-based or not)
- PC 99 compliant

Warranty

5-year limited warranty from date of purchase

Product No. USR263095-OEM (FCC B)

Regulatory Approvals

- FCC (Part 15)
- FCC (Part 68)
- UL1950-3 and CUL
- ICES-003
- CS-03

Product No. USR803098-OEM (CTR21)

Regulatory Approvals

- CTR21
- CE
- LVD
