GIGABIT ETHERNET PC CARD

WIRED NETWORKING

U.S. Robotics Gigabit Ethernet PC Cards deliver 1000 Mbps networking performance to laptop PCs at an incredible value. Now laptop users can take advantage of the next generation of Ethernet networking to distribute the largest files (digital video, high-resolution photographs, etc.) at unprecedented speeds. Maximizing your flexibility, it automatically determines the speed of your network and adjusts to match 10, 100 or 1000 Mbps. This is the one PC Card you need for your laptop to take advantage of today's high-speed networks.

USRobotics®

Easy high-performance Gigabit networking
for laptop computers

Easy Installation

- Simple 1, 2, 3 installation
- Visual diagnostic LEDs for speed and activity

Flexibility Ethernet Connectivity

- Supports Ethernet connections at speeds of 10/100 Mbps and 1 Gigabit (1000 Mbps)

Auto-Sensing

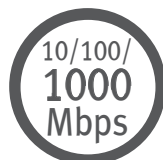

- Automatically detects speeds of 10/100/1000 Mbps and connects at the highest possible speed

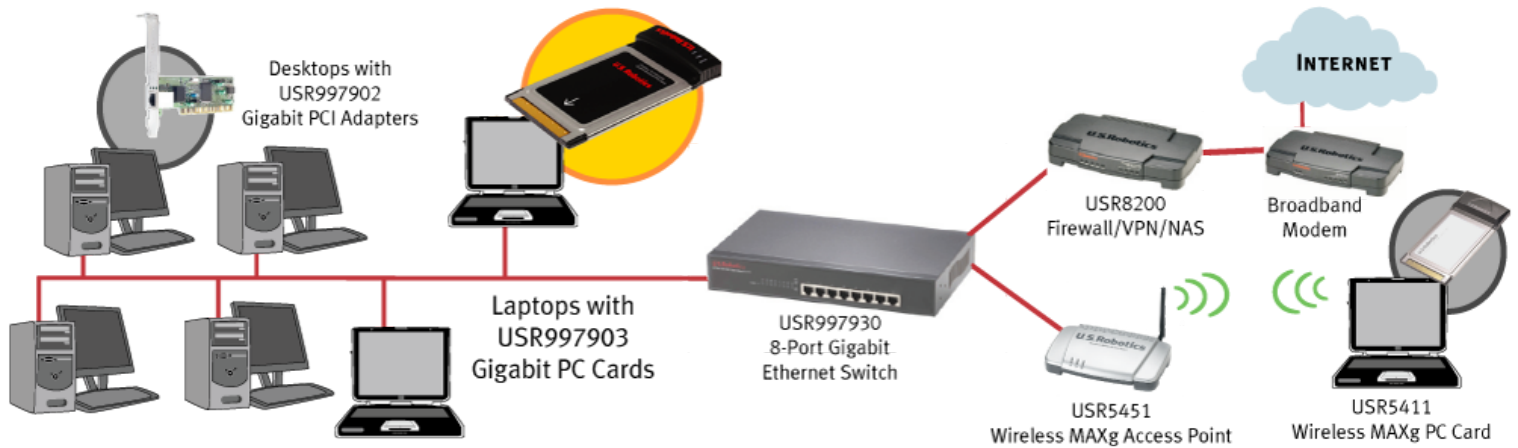

Auto-Switching

- No crossover cables needed

Energy Efficient

- Ultra low power consumption – won't drain laptop batteries

USR997903 GIGABIT ETHERNET PC CARD

SPECIFICATIONS AND STANDARDS

GENERAL

- PCMCIA CardBus standard compliant
- Auto negotiation for 10/100/1000 Mbps
- Auto MDI/MDIX
- Diagnostic LEDs for 1000, 100 and 10 Mbps link speed and activity
- IEEE 802.3, IEEE 802.3u and IEEE 802.3ab
- IEEE 802.3x - Full Duplex flow control
- IEEE 802.1p Layer 2 priority encoding
- 802.1q VLAN tagging
- Microsoft NDIS5 (IP, TCP, UDP) Checksum and Segmentations Task off-loading

ENVIRONMENTAL

- Operating Temperature, 0-70oC (-10-70oC storing)
- Operating Humidity, 10%-85% (non condensing, storage)

REGULATORY

- EMI - FCC Class B
- Safety - UL, CUL
- EMI & Safety - CE Class B

DIMENSIONS/WEIGHT

- 6.8 in x 5.4 in x 1.1 in (17.5 cm x 13.2 cm x 3 cm)
- 5.9 oz (.17 kg)

PACKAGE CONTENTS

- U.S. Robotics Gigabit Ethernet PC Card
- Quick Installation Guide
- Installation CD

LANGUAGE SUPPORT

- **Retail box:** English, French, German, Spanish, Italian, Dutch
- **Install guide:** English, French, German, Spanish, Italian, Dutch
- **Installation CD:** English, French, German, Spanish, Italian, Dutch, Portuguese, Czech, Polish, Russian, Hungarian, Turkish, Swedish, Greek, Arabic

MINIMUM SYSTEMS REQUIREMENTS

- **Operating Systems:** Windows 98SE/2000/Me and XP
- An available PC CardBus Slot
- CD ROM drive

WARRANTY

- Two-year limited warranty from date of purchase

USRobotics®

IC Approved
Approuvé par IC
