## Supplier's Declaration of Conformity (SDoC) 47 CFR § 2.1077 Compliance Information

Product Details	
<b>Product</b>	50000836-66, 50000836-91
<b>Brand Name</b>	Digi
<b>Model Name/Number</b>	PortServer TS2

For product subject to authorization under Supplier’s Declaration of Conformity, Digi International shall be the responsible party, as designated in §2.909.

The responsible party warrants that each unit of equipment marketed under this Supplier’s Declaration of Conformity will be identical to the unit tested and found acceptable with the standards, and that the records maintained by the responsible party continue to reflect the equipment being produced under such Supplier’s Declaration of Conformity within the variation that can be expected due to quantity production and testing on a statistical basis.

For equipment subject to Supplier’s Declaration of Conformity, the responsible party must re-evaluate the equipment if any modification or change adversely affects the emanation characteristics of the modified equipment. The responsible party bears responsibility for continued compliance of subsequently produced equipment.
